

NeXT-Chem
EXPLORATORY WORKSHOP

INVITATION

National Institute for Research & Development in Chemistry and Petrochemistry – ICECHIM Bucharest

invites young researchers (MSc and PhD students)

to IVth edition of
the Exploratory Workshop

NeXT-Chem: Innovative cross-sectoral technologies

ROMANIA – Bucharest

19-20 MAY 2022

We are delighted to invite you, in the period *19-20th May 2022*, to participate to the fourth edition of exploratory workshop *NeXT-Chem: Innovative cross-sectoral technologies*, organized by INCDPCP-ICECHIM.

Since the first edition of NeXT-Chem, INCDPCP-ICEHIM has built a sustainable community of scientists from the industry and from academia, who are committed to make a substantial contribution to the progress of a more sustainable and circular chemistry.

The modernization of the chemical industry not only requires intensive collaboration and expertise exchange between the industrial and academic sectors, but also calls upon us to engage and join forces with other disciplines to undertake this transition towards a resilient and sustainable society.

During the Exploratory Workshop we will provide insights into our research and discuss a multidisciplinary approach towards circular chemistry.

The workshop is addressed to young researchers (MSc, PhD students), and participation is free of charge.

On this occasion, distinguished international personalities will deliver invited lectures, including (in alphabetical order):

- Prof. Milen I. Georgiev, Stephan Angeloff Institute of Microbiology, Bulgarian Academy of Sciences, Bulgaria
- Dr. Mariana Emilia Ghica, University of Coimbra, Portugal
- Prof. Mario Piccioli, University of Florence, Italy
- Dr. Roxana Rădvan, National Institute for Research and Development for Optoelectronics -INOE 2000, Romania
- Prof. Federica Valentini, University of Rome “Tor Vergata”, Italy

NeXT-Chem

EXPLORATORY WORKSHOP

NeXT-Chem Workshop sections

Multifunctional materials, nanocomposites, innovative technologies and cultural heritage protection

Bioresources, Biotechnologies and Biorefining

Indicative

1 - MTCH

2 – BBB

Registration

For participation, please register online and submit your abstract by **May 9th, 2022**, filling-in the form provided at www.icechim.ro/next-chem. Please comply with the mandatory abstract requirements (available online).

Acceptance notifications will be sent within 3 days from the abstract submission.

The workshop will be conducted in English, in hybrid format (on-line / in person).

For further inquiries please contact:

Dr. Habil. Radu Claudiu Fierăscu – Technical Manager: fierascu.radu@icechim.ro

Dr. Habil. Florin Oancea – Scientific Manager: florin.oancea@icechim.ro

Dr. Andrei Sârbu – NeXT-Chem coordinator: andrei.sarbu@icechim.ro

We are looking forward to see you!

GENERAL MANAGER
Dr. Mihaela DONI
