

The 14th International Symposium of the Romanian Catalysis Society

RomCat 2025

**July 9-11, 2025 Cluj-Napoca,
Romania**

First Circular

DATES TO NOTE

12 January 2025	Paper submission starts
01 March 2025	Deadline for paper submission
15 April 2025	Abstract decision
30 April 2025	Deadline for Registration

TOPICS

The conference is designed to bring the academic and industry together. Contributions are sought for all the catalysis areas, *i.e.* heterogeneous, homogeneous and biocatalysis combining the theory with practice.

**The Conference will be preceded by
a Summer School**

**"Catalysis at the crossroads
between biology and chemistry"**

06-08 July 2025

**PhD, master and undergraduate
students are invited to participate at
the summer school.**

**30 April 2025 Deadline for
Registration**

**NO PARTICIPATION FEE
for the Summer School**
